<p>COGCC Inspection Report Summary On Thursday 1/13/2022 at approximately 10:25 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the Anadarko Sandau 24-34 location #328659 in Weld County, Colorado. While there, I observed that the well had been TA'd with unused equipment and trash around the wellhead. During this inspection the following possible compliance issues were observed: Rule 606. with a corrective action date of 1/31/2022. A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of the inspection report.</p>	petersont	01/13/2022
