General Comment:

COGCC Inspection Report Summary
On Wednesday 2/9/2022 at approximately 1200, I, Inspector Scott Ramsey, conducted a routine inspection at TEP Circle B 6, at Location # 334673 in Garfield county Colorado.
While there, I observed normal production operations. All meters have been calibrated on location within the past year. This location is within or in close proximity to a CPW Density/High Priority Habitat, black bear, NSO habitat, Wildlife Management. Operator (TERRA) has provided there Piceance Basin Storm water Manual of BMP's (SC-4) for a tracking pad.
Location is snow covered in areas at the time of inspection and plowed.
During this inspection the following possible compliance issues were observed:
1. Storage of equipment (ECD)
2. Tank label not legible.

Refer to photograph of observed compliance issue.
A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.
This is a summary of inspection report.
