Gentlemen:

We are enclosing copies of our filings with the United States Department of The Interior covering our plan to drill the McCallum-Federal No. 1-19, C NE NW Section 19-9N-78W 6 P.M., Jackson County, Colorado together with our Check No. 40041 in the amount of \$75.00 covering the permit fee. It is our understanding that your department will accept copies of our filings with the Interior Department in lieu of submitting a permit to drill application on your form.

We have requested by telephone today, up-to-date copies of rules and regulations and rules of practice and procedure from your office. If you require further information from us, please advise.

Very truly yours,
