INTEROFFICE  
MEMORANDUM

To: Nickie Meyers

Date: August 31, 1992

From: Brian Macke *Bjm*

Subject: McCallum - Federal #1-19  
NENW Sect. 22 - T4N - R88W  
Jackson County

As a follow up to your request for information about the final abandonment of the above captioned well for the purpose of releasing the plugging bond to Helmerich and Payne Inc., the BLM office in Craig was contacted on August 31, 1992.

Louise MacMahon, staff member of the Craig BLM office, searched the records and informed me that the BLM had granted their final abandonment approval on August 15, 1977.

As it has been my experience that once an abandoned location passes BLM approval it also meets the minimum State of Colorado abandonment standards, I recommend that the COGCC approve the abandonment for bond release purposes.
