<p><b>COGCC Inspection Report Summary</b>                      On Wednesday 2/9/2022 at approximately 10:20 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the PDC Energy Lloyd 31-14 API #123-24915 in Weld County, Colorado.                      While there, I observed that the wellhead sign and emergency contact number were not posted. During this inspection the following possible compliance issues were observed: Rule 605.d. with a corrective action date of 4/11/2022.                      A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.                      This is a summary of the inspection report.</p>	petersont	02/09/2022
