RE: Rule 304.d. Lesser Impact Area Exemption Request
Confluence DJ LLC
Bigfoot 11 Location
T4N R63W Sec. 11: SWNW & NWSW
Weld County, Colorado

Dear Director Murphy:

Confluence DJ LLC (Confluence) respectfully requests that the Director grant the Lesser Impact Area Exemption described in Appendix A pursuant to Colorado Oil and Gas Conservation Commission (COGCC) Rule 304.d. for the above referenced Location.

COGCC Rule 304.d. provides that the Director may exempt an Operator from submitting any of the information required by Rule 304.b, or any plan required by Rule 304.c, under the following circumstances: *The impacted resource or resource concern are not present in the area; or Impacts to the resource will be so minimal as to pose no concern.*

Confluence's requested Lesser Impact Area Exemptions are listed on Appendix A with all applicable information as requested by the COGCC. Please do not hesitate to contact me to discuss the requested Lesser Impact Area Exemptions upon your review.

Please send a copy of all correspondence to Upstream Petroleum Management, Inc. at 7000 S. Yosemite St., Suite 290B, Englewood, CO 80112. Please contact me at 303-942-0506 or at agross@upstreampm.com if you have any questions.

Sincerely,

Andrea Gross
Permit Agent for Confluence DJ LLC

Bigfoot 11 Location Lesser Impact Area Exemption Request
Appendix A

Exemption Requested From	Resource Concern	Exemption Circumstance	Description
Rule 304.c.(2) Plan Noise Mitigation Plan	Noise Impacts to People and Wildlife	Impacts to the resource will be minimal.	An onsite survey and review of available map data indicated the closest Residential Building Unit is over 5280 feet from the edge of the Working Pad surface. Additionally, the Location is not within any High Priority habitats. The Operator is committed to installing a 32' engineered sound wall along the south side of the Location.
