General Comment:

On 2/18/2022 Catherine Roy conducted a reclamation and stormwater inspection. During this inspection the following compliance issues were observed:

-Remove and properly dispose of wire debris within the western project area by 3/30/2022.

-Revegetation and erosion controls need to be applied to soil piles within the western project area by 5/1/2022. Corrective action is extended to accommodate winter conditions.

See below, and attached photos for additional detail.
