**General Comment:**

On 4/22/2022, Reclamation Specialist Trujillo conducted an interim reclamation and stormwater inspection TEP Rocky Mountain's GM 14-27 location in Garfield County, Colorado.

The following compliance issues were observed during this inspection:  
- Unmarked anchors

Refer to the "Reclamation" section of this inspection report for additional details.

Refer to the photo-documentation of the observed compliance issues attached to this report.

Any corrective action(s) from previous inspections that have not been addressed are still applicable.

A follow up inspection on this site will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

1003 f. Weeds Noxious weeds? P

Comment It was observed in this inspection that the interim reclamation is in process; there are areas of the interim where vegetative establishment is concentrated within the drill rows, though vegetation does appears to be spreading onto areas beyond the rows, and progressing towards 1003 uniform revegetation standards.
