

Doc# 1310875

April 20, 2022

To Whom It May Concern:

Beeman Oil Operator 7125 has purchased the Production, Pits, and flowlines related to the Grassy Creek 1 Production from Lyster Oil & Gas Operator 51922. The sale took place on December 5, 2020. The sale also includes any open incidents and reclamation actions. Please refer to Document #403000594. Chris Brookshire with Routt County has been notified of the transaction and all appropriate bonding and permitting are in the works.

Thank you,

A handwritten signature in black ink, appearing to read "James S. Pate", written in a cursive style.
