Inspection Photos

Location Name: Wilson Creek Unit-63N94W /34NENW

Location ID: 314510

Photo 1. Photo taken from the southwest of the Location shows an overview of the Location.

Photo 2. Photo taken from the northeast of the Location shows the excavated well. A strong hydrocarbon odor was present. Photos also shows the sides of the pit may be too steep to allow wildlife escape and fencing to prevent access does not completely enclose the excavated area.
