General Comment:

COGCC Routine Inspection Report Summary
During this inspection the following compliance issues were observed:
• Locked gate at access.
On 3/31/2022 Inspector Mike Longworth emailed operator Jim Hawkins for key or combination to gain access to location. Response from operator was that the pumper would contact inspector with key or combination. No contact has been made from pumper.
A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.
