SUBMITTAL

OPERATOR COMMENT AND SUBMITTAL

This Form 9 Subsequent is being submitted, per Teri Ikenouye at COGCC to address items not identified on the original Form 10s submitted by Ursa in December 2020. The Ursa transfer occurred prior to the effective date of the Mission Change Rules and availability of the Form 9. Specifically, the items identified for Not Transferred, the operator was told, "The spills are all CL status, so those can stay under the Ursa operator number." The attestation included in this Form 9 has been executed, per COGCC, by the Delegated Agent who represents both "selling" and "purchasing" operator and who is a sole employee of TEP Rocky Mountain LLC. The purpose of this form is to facilitate proper transfer within the COGCC system, however it is not compliant per rule. Notification of the Relevant Local Government is not applicable for this transfer. Correspondence with COGCC is attached.

I hereby certify all statements made in this form are, to the best of my knowledge, true, correct, and complete.
