COGCC Decision: Approved pending re-inspection

COGCC
Representative:

Approved pending re-inspection of this FIR resolution acknowledges the document was received. It is not an acknowledgement that the corrective action has been passed. A field inspection will be conducted at a future date to evaluate compliance with COGCC rules. Inspector was present to witness compaction alleviation on a portion of the Location, but was not present to witness decompaction of the entire Location. A follow up inspection will be performed.

Corrective Action #2 remains applicable. Complete final reclamation activities pursuant to 1004 Rules including, but not limited to, gravel removal, compaction alleviation (cross ripping to a minimum depth of 18 inches), recontouring/regrading, replacement of topsoil, and revegetation activities on the Location and access road. Use a seed mixture provided by the surface owner, or a mixture prescribed by the local soil conservation district.
