Me Fischer,

Chevron is in the process of doing a full field abandonment of our Wilson Creek Field (Field Number 93352) in Rio Blanco County. On June 27, 2022, Chevron discovered a historic spill during P&A activities around the well at WCU 30 (API 05-103-05859). This email will act as the "24 Hour Notification" under 912.b.(1). A form 19 will be submitted to COGCC as required by 912.b.

Please feel free to contact me at any time if you have any questions or concerns.

Thank you,
