Re: COGCC Form 9 Subsequent Attestation

Effective October 1, 2019, Robert L. Bayless, Producer LLC ("Seller") sold Retamco Operating, Inc. ("Buyer") the active wells and all facilities involved in the Philadelphia Creek area. The Form 10, Change of Operator submitted 1/24/2020, DOC ID 402225103 was approved with Wells and Pits that successfully transferred.

It was overlooked that the Pits for the PC 1 (Pit ID 117270) and PC 21 (Pit ID 117163) were not on that list. Form 9 dated 03/22/2021, DOC ID 402636032 was submitted to correct this oversight.

The Form 9 Subsequent report, DOC 403034224 was submitted on 5/02/2022.

The signed parties below attest to the contents of Form 9, DOC ID 403034224 listing Pits for PC 1 and PC 21.
