Financial Assurance	Both operators have resolved all issues. Form 9 Approved.	07/14/2022
Financial Assurance	<p>There are a couple issue with your attachments.</p> <p>For the Subsequent Attestation, please reference the Subsequent document number, not the Intent document number in the attestation.</p> <p>For the Wells and Facilities Transferred list, only wells have API numbers. There are two pits listed with API numbers. Please remove the API numbers associated with the pits. Also, the current operator should be Robert L. Bayless, Producer LLC since this transfer has not been approved by the COGCC.</p> <p>Please send the corrected documents to me and I will upload them to the Form 9.</p>	07/12/2022
Financial Assurance	<p>I reviewed the Form 9 transfer referenced above. There are several issues that need to be corrected before the transfer can be approved. They are as follows:</p> <p>Issue 1: Both the Intent and Subsequent Attestations are inadequate. Solution 1: If the Subsequent Attestation is correctly submitted, we can proceed with the transfer. I have attached the Attestation Guidance for your convenience. Please follow the guidance to prepare a new Subsequent Attestation and submit it to me. I will upload it to the form.</p> <p>Issue 2: The Buyer Notified Local Govt Attestation is also inadequate. Solution 2: Please refer to the attached guidance and prepare a new attestation and submit it to me.</p> <p>Issue 3: There was no Wells and Facilities Transferred list uploaded to the Subsequent. Solution 3: Using the attached Wells and Facilities Transferred template, please submit a Wells and Facilities Transferred list and I will upload it to the form.</p> <p>Once these issues have been corrected, I can run the transfer through our internal tool and hopefully complete a final review.</p> <p>Please reach out with any questions.</p>	07/08/2022
Financial Assurance	<p>Issue 1: The Intent Attestation is inadequate. Solution 1: The attestation that was submitted with the subsequent will work for the Intent Attestation. If both parties concur, I will upload that attestation to the Intent. Both parties need to send me an email with their response.</p> <p>Issue 2: The Subsequent Attestation is inadequate. Solution 2: Please resubmit the Subsequent Attestation using page 4 of the attached guidance. Please remember to include the Subsequent document number and the letter should be on RETAMCO letterhead.</p> <p>Issue 3: The Buyer Notified Local Govt. Attestation is inadequate. Solution 3: Please resubmit the Buyer Notified Local Govt. Attestation using page 6 of the attached guidance. Please remember to include the county and LGD (Local Government Designee) in the letter.</p> <p>Issue 4: The Wells and Facilities Transferred list was omitted from the Subsequent. Solution 4: Please submit a Wells and Facilities Transferred list using the attached template. Also attached are Form 9 Instructions to be used as guidance.</p> <p>Please email me the revised forms and I will upload the documents to the Form 9. Please reach out with any questions.</p>	05/02/2022
