Attention: Mr. D. V. Rogers, Director

Dear Mr. Rogers:

Pursuant to the Application to Drill which was sent to your office on March 22, 1974 and approved March 29th Permit No. 74 192, please be advised that the above well will be drilled under Bond No. 109B449-2 with Tom Jordan as Principal. Enclosed for your approval is the fully executed copy of the Bond.

Please delete "and Toltek Drilling Company" in the name of the operator space on the Application to Drill and retain the name of the operator as Tom Jordan. Also please delete "Toltek's Blanket Bond" in the body of the Application.

Enclosed for your files is the location plat for the above well.

Thank you for your cooperation in this matter.

Yours very truly,

T. N. JORDAN, JR.

Leroy G. Mossel
Geologist
