General Comment:

On 07/14/2022, Reclamation Specialist Trujillo inspected Chevron USA Inc's SKINNER RIDGE 698-28-1 Location in Garfield County, Colorado.

This inspection is a follow-up to #696202463 to document compliance with the following corrective actions:
-Interim Reclamation

This inspection is also in response to Resolution #402670340 stating CA was addressed 4/13/2021.

It was observed in this inspection that interim reclamation has been performed, and the original CA has been addressed

The following compliance issues were observed during this inspection:
-Interim areas not progressing towards 1003 standards

Refer to the "Reclamation" section of this inspection report for additional details.

Refer to the photo-documentation of the observed compliance issues attached to this report.

Any corrective action(s) from previous inspections that have not been addressed are still applicable.

A follow up inspection on this site will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

Comment

Inspection #696202463 required Operator to comply with 1003 Rules and conduct reclamation on areas not needed for production.

It was observed in this inspection that reclamation of areas not needed for production has been conducted. CA has been addressed.

Location is currently in its second growing season since work was required (4/30/2021). It was observed in this inspection that desirable plant germination and establishment is not occurring throughout the majority of the interim areas, and Location is not progressing towards COGCC 1003 uniform desirable vegetative establishment.

Additional revegetation work required.

Corrective Action

Comply with 1003 rules and conduct additional reclamation work. Continue to monitor and manage interim areas to ensure site progressing towards 1003 reclamation standards.
