**General Comment:**

On 7/19/2022, Reclamation Specialist Trujillo conducted a reclamation inspection at Laramie Energy LLC's YT My Way Ranch 18-5 Pad location in Mesa County, Colorado.

The following compliance issues were observed during this inspection:  
-Noxious Weeds

Refer to the "Reclamation" section of this inspection report for additional details.

Refer to the photo-documentation of the observed compliance issues attached to this report.

Any corrective action(s) from previous inspections that have not been addressed are still applicable.

A follow up inspection on this site will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

Comment: Well marker placed at the PAd Coury 18-2 well (API 077-08377) does not comport with well marker/monument requirements; however, marker is located within a string of active wells, does not appear to be interfering with production activities, has been fenced off and not an apparent safety issue. Well will be addressed during final reclamation of the Location.
