Gentlemen:

Reference is made to your OGCC Form 6 concerning the plugging of your Flader Industries, Inc. well #2-B, located in the NE NE, Section 9, Township 3 South, Range 60 West, Adams County, Colorado.

Attached please find the forms returned for additional information as to the manner in which the well was plugged. The type of information required is set out on Form 6, itself, under "Instructions", and also in Rule 307 of our Rules and Regulations, a copy of which we are enclosing.

We take this opportunity to point out that you have plugged this well in violation of Section (f) of Rule 332 of our regulations.

We will appreciate receiving at your earliest convenience this Form OGCC-6 properly filled out. If we can be of any assistance in interpreting the rules concerned herein, we will promptly cooperate.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION

A. J. Jersin, Director
