**Subject:** Produced water release Raymond Koon A 1 well pad

Mr. Magee,

On 7/23/22 at 10:37 am I was notified of a pit tank that overflowed produced water ~14.5 bbls. A water truck was dispatched to location to recover standing fluids. The water remained on the well pad. I am providing this notification as this area is a sensitive area according to the COGCC web map. Please do not hesitate to contact me if you have any questions. Thank you
