General Comment:

[COGCC Routine Inspection Report Summary](#)
Location is in a High Priority Habitat Area.
During this inspection the following compliance issues were observed:
No api # on battery sign.
No api # on well sign.
Wash channels and weeds growing on roadway.
Berm has been damaged by storm water running off access road.
Washing of access road into location and running into containment of 1000 gallons blowdown tank at the metershed.
A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.
