COGCC Inspection Report Summary

\*\*Weather Conditions: sunny, dry ground

On Tuesday, July 26, 2022 at approximately 15:30, I, Inspector Brittani Santistevan, conducted an on-site inspection at MOORE 13-35 (PDC Energy), at location #: 330681 in WELD COUNTY Colorado.

While there, I observed a shut in wellhead.

During this inspection the following possible compliance issues were observed:

1. Over grown weeds inside wellhead fencing. Remove weeds to comply with Rule 606. (Corrective Action Date: August 16, 2022) See attached photo #2.

A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

This is a summary of inspection report.
