**Attachments:** NorthHayden.Form4.FinalReclamationFiling.071320.pdf

Hi Jerod – As a courtesy, I wanted to send you a copy of the North Hayden Form 4 final reclamation filed with the COGCC yesterday. We spoke with Lou Colby, the Reclamation Specialist over this area. She advised to add language regarding the approved storage of equipment by a Land Board contractor.

The COGCC may be in contact with you to discuss.

Please feel free to contact me directly should you have any questions.

Thank you for your time.
