COGCC Inspection Document number 700300437

Date completed 8/25/2022

Trash and debris removed

Debris and unused equipment parts removed.

# HOTT 20-02 1, Tiffany 5-3, Tiffany 5-2

COGCC Inspection Document number 700300437

Date completed 8/24/2022

Scattered unused equipment parts removed. Flowlines and equipment stripping timeline will begin after PxA Form 6 is approved.

Trash removed. Landowner agreement states wood from pad build will be piled, not stacked next to pad; wood is set aside for landowner use.
