PLUGGING RECORD

INSTRUCTIONS

Within thirty (30) days after the plugging of any well, the owner or operator thereof shall file this form in duplicate for wells on Patented or Federal lands, and in triplicate for wells on State lands, give a detailed account of the manner in which the abandonment or plugging work was carried out, including the nature and quantities of materials used in plugging and the location and extent (by depths) of the plugs of different materials; records of the amount, size and location (by depths) of casings and junk left in the well; and a detailed statement of the volume and weight of mud fluid used.

Operator The British-American Oil Producing Company Field Cliff Wildcat
Lease Name Casement Well No. A-4 County Logan
Location NE SE Section 32 Township 12N Range 54W Meridian 6th PM
(Quarter Quarter)

PBD 5582' KB

DATE OF PLUGGING _____

DETAILS OF WORK

Casement A-4 originally completed in June, 1955, is watered out. We propose to plug and abandon this well and to recover salvageable equipment. The hole will be plugged in accordance with existing instructions and regulations governing the same and the Oil and Gas Commission will be contacted prior to the start of actual plugging operations.

Use as intent to abandon
