General Comment:**COGCC Inspection Report Summary**

On Tuesday 10/4/2022 at approximately 1200, I, Inspector Scott Ramsey, conducted a routine inspection at Genesis Fletcher Gulch 3-21, at Location # 316580 in Rio Blanco county Colorado.

Any Corrective Actions from previous Inspections that have not been addressed are still applicable.

While there, I observed well is not producing. This location is within or in close proximity to a CPW Density/High Priority Habitat, black bear, NSO habitat, Wildlife Management.

During this inspection the following possible compliance issues were observed:

1. Location covered with weeds.
2. Well head signage is lacking information.
3. No emergency number posted.

Refer to photograph of observed compliance issue.

A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

This is a summary of inspection report.
