Comment: This location does not comply with Rule 1004. During this inspection it appears the operator has conducted final reclamation activities with no visible evidence of oil and gas equipment or access roads. COGCC Staff observed annual weedy vegetation throughout portions of the location, which is slowing the progress towards achieving final reclamation standards. Refer to attached inspection photos.

Corrective Action:	Comply with Rule 1004 and manage weedy vegetation on location. Operator shall continue to monitor and manage this site until the location meets Rule 1004 standards, including stormwater and weed management.  The corrective action date is the date the location was observed out of compliance.	Date	10/07/2022
