RE: Ramrod "J" Sand Unit  
Well #1  
SW-SE Sect. 28-12N-55W  
Logan, Co., Colo.

Dear Mr. Rogers;

We received permission to abandon all wells in the Ramrod "J" Sand Unit in Logan, County, Colorado except I neglected to send you Sundry notice on the above well. We have since received permission from USGS to abandon above well. I am sending you a copy of approved sundry notice from USGS.

Now that weather permits we would like to start pulling casing in the Ramrod Field as soon as we can obtain a contractor.

I included conditions of USGS on your Sundry notice as they exceeded specifications of the State of Colorado.

Please notify me if there are any problems pertaining to this. Thank you.

Sincerely,

R.G. Julius  
Dist. Supt.
