**General Comment:****COGCC Inspection Report Summary**

On Monday 10/10/2022 at approximately 1400, I, Inspector Scott Ramsey, conducted a routine inspection at Peakview Kowach 1-9 and 24-9 SWD, at Location # 312913 in Moffat county Colorado.

Any Corrective Actions from previous Inspections that have not been addressed are still applicable.

While there, I observed one well is in normal operations and the SWD is T/A. This location is within or in close proximity to a CPW Density/High Priority Habitat, black bear, NSO habitat, Wildlife black bear Management and Density habitat.

A form 4 is on file for bitcoin operations for swapping a generator and bigger container.

No form 4 is on file for the T/A status of the injection well this was a C/A from previous inspection document #689806245. C/A date remains the same as previous inspection (10/1/2021).

During this inspection the following possible compliance issues were observed:

1. Random debris.
2. Stored equipment
3. Totes with fluid have no secondary containment.
4. Box on a trailer is leaking something and not contained.
5. Hole on side of container is open for wildlife to enter.

Refer to photograph of observed compliance issue.

A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

This is a summary of inspection report.
