CORRECTIVE ACTIONS:

1 ☒ CA# 164214

Corrective Action: Remove equipment not necessary on location or provide a proper variance

Date: 10/14/2022

Response: CA COMPLETED

Date of Completion: 08/31/2022

Operator Comment: The camp trailer is believed to belong to a hunting outfitter that has used this same location for several years with permission of the land owner. The camp trailer does not belong to TEP and is not related to any of our operations. Per discussions with TEP's Production Supervisor for this site, the trailer does not interfere with our operations, or the safe access/egress from the pad. The hunting outfitter uses this site for a few weeks out of each year, and the trailer is removed after hunting season. TEP will pass along COGCC's concerns to the landowner.

COGCC Decision: Approved pending re-inspection
