General Comment:

On 10/20/2022, Reclamation Specialist O'Malley conducted a Final Reclamation and Stormwater inspection at EOG Resources Inc's BIG HOLE GULCH UNIT #3/3 Location #414331 in Moffat County, Colorado.

The following compliance issues were observed during this inspection:

- Annual undesirable plant species/weeds

Refer to the "Location," "Reclamation" and "Stormwater" sections of this inspection report for additional details.

Refer to the photo-documentation of the observed compliance issues attached to this report.

Any corrective action(s) from previous inspections that have not been addressed are still applicable.

A follow up inspection on this site will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

Comment: It was observed in this inspection that Final Reclamation is in process. Vegetation has had one growing season to establish; seeding completed Fall, 2021 per document #402842390. Establishment of desirable species observed throughout. Annual weeds appear to be dominant in some areas. Application of addition seed may be necessary in some areas. Operator shall continue to monitor and manage the Location to ensure it progresses towards 1004 vegetation standards.
