Detailed description of the issue(s) * (?)

Please provide as much detail as possible. It is important to narrow down the issue(s).

The whole pad is lit up early in the morning, now that it get darker earlier, it's lit up well last dark. It shines directly into our home and has woken us up in the morning before. I have contacted the company and they just said 'OSHA' but we were told by the state and the county they couldn't have it lit in the dark unless they had a wall up which they do not.

Is this an ongoing issue(s)? *
