#### OPERATOR COMMENT AND SUBMITTAL

Comment: Wellington Operating Co does not have the inhouse staff or expertise to accurately and completely comply with 1101.a without contracting outside services. At a not inconsiderable expense, TetraTech has been hired to complete form 44. Work has begun. We request an extension to complete the survey of this 4690 acre area.

I hereby certify that the statements made in this form are, to the best of my knowledge, true, correct, and complete.
