Operator Comment: A variance request for use of this location for cuttings management was submitted on April 4, 2019 (Cuttings Storage Area CC 604-12-13 Annex, COGCC Location ID 424970, Cuttings Storage Variance Request). Laramie Energy intends to withdraw the Interim Reclamation Variance request when the Annex Cuttings Storage Area CC 604-12-13 Variance has been approved. If the Cuttings Management Variance is denied, Laramie will likely request review and approval of the Interim Reclamation Variance so that the location can continue to be used for

storage of materials & equipment (as per GARCO approval).
