Operator Comment: Please note this CA has NOT been corrected yet. I was unable to save this without choosing an option. UGC has been trying to get to this location to fix the CA- Comply with 1002.f; maintain access road; implement and maintain BMPs to stabilize access road, manage runoff and minimize further degradation. The weather has prevented us from getting there but hope to be able to address the week of 10/3/2022. We will submit a follow-up FIRR as soon as issue is corrected.

COGCC Decision: **Not Approved**

COGCC Representative: Though Staff appreciates and acknowledges UGC's intent to provide the COGCC with an update, an Operator response of "CA Complete" within a Resolution is a notification to the State that the corrective action has been addressed pursuant to Rule 210.b; therefore Staff is unable to accept this Resolution.
