General Comment:

On 12/5/2022, Reclamation Specialist Trujillo inspected Utah Gas Corp's South Canyon Federal B07 6103 location in Garfield County, Colorado.

This inspection is a followup to #696204010 to document compliance with the following corrective action:
-1003.a- Unmarked Anchors

This inspection is also in response to resolution #403153741 stating CA completed.

It was observed in this inspection that the CA has been completed. The following new compliance issues were observed
-Tank labeling.

Refer to the "Reclamation" and "location" sections of this inspection report for additional details.

Refer to the photo-documentation of the observed compliance issues attached to this report.

Any corrective action(s) from previous inspections that have not been addressed are still applicable.

A follow up inspection on this site will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

LocationOverall Good: ☐**Signs/Marker:**

Type BATTERY

Comment: Tank battery facility has been installed on the north end of the Location. Unclear when facility was installed.

Tank battery signage not observed at the facility.

Pursuant to 605.e.(1), ensure signage pursuant to 605.e.(2) is installed within 60 days after installation of the tank battery.
