Dear Mr. Lewton:

With reference to our conversation of July 30, please find enclosed a check in the amount of \$1,500.00. This check serves as consideration for damages to the surface during our drilling operations and establishment of production equipment for the captioned well. As we discussed, E. Doyle Huckabay, Ltd. may exercise all the rights and is subject to all the obligations set out in the oil and gas lease between Champlin and Amoco Production Company without further consideration being owed to you. If this is your understanding of our agreement, please so indicate by signing in the space provided below.

We are looking forward to working with you in the future. Mr. Vince Eurich of Allison Drilling Company will be contacting you shortly to discuss the positioning of the access road into the captioned well. If you have any comments or questions, please don't hesitate to contact the undersigned.

Very truly yours,

L & L LAND COMPANY
