Re: #43-27 Amoco
Section 27: NE/4 SE/4
T3S - R59W
Adams County, Colorado

Dear Frank:

With reference to the attached notice, we ran casing on the captioned well last winter and have been debating what to do with the well which was producing primarily water with a small percentage of oil. Considering the present economic climate, we have decided to pull the pipe and plug the well. We anticipate performing this work within the next 30 days and we shall submit the appropriate forms. Please contact me if you have any comments or questions.

Very truly yours,

E. DOYLE HUCKABAY, LTD.

Michael H. Asher
