<p><b>COGCC Inspection Report Summary</b></p> <p>On Wednesday 12/28/2022 at approximately 10:15 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the PDC Energy Fritzler Federal B1 Tank Battery location #448210 in Weld County, Colorado.</p> <p>While there, I observed that the SW crude oil tank lacked all required placards. During this inspection the following possible compliance issues were observed: Rule 605.h. with a corrective action date of 3/31/2023.</p> <p>A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.</p> <p>This is a summary of the inspection report.</p>	petersont	12/28/2022
