- I. Orr will pay a penalty of \$ 4,000.
- II. Operator shall submit all delinquent reports within 30 days of the approval of this Order by the Commission.
- III. Payment of the penalty pursuant to this AOC does not relieve the operator from its obligations to complete corrective actions set forth in the NOAVs, as may be amended or modified by COGCC Staff.
- IV. Orr agrees to the findings of this AOC only for the purpose of expeditiously resolving the matter without a contested hearing.
