Re: Bond No. 147F3959
Survey Bond for North Wolf Mountain #1
Routt County, Colorado

Dear Mr. McKee:

I have been notified by Bayly, Martin & Fay, Inc. of Colorado that the above captioned bond has not yet been released for cancellation.

Per attached correspondence of 9/22/81, Great Eastern Energy elected not to drill the North Wolf Mountain #1 well and therefore, no operations were commenced on the land owners property.

If additional information is required for the release of this bond, please contact our office. Thank you.

Yours very truly,
