RE: Trigg Drilling Company, Inc.
Oil & Gas Well Drilling Bond
✓ #955E500-0 (Pilot Knob #1-14,
Routt County, Colorado)
The Travelers Indemnity Company

Dear Mr. Rogers:

Mr. Barth E. Whitham, Division Engineer with Trigg Drilling Company, Inc. sent us a copy of Sundry Notices and Reports on Wells in order for us to submit to The Travelers Indemnity Company for cancellation of captioned bond. When the Sundry Notice was submitted to the surety company they advised that they could not cancel the bond that they would need to have the originally executed bond returned or letter stating that The Travelers Indemnity Company does not have any additional liability accruing on bond after a stated date. Enclosed is copy of letter from Travelers.

We will be awaiting your response. Thank you for your help in this matter.

We must have a legal location to find this bond. as Cherie Henderson
single bonds are kept in the well file, not filed by bond #.
