You are hereby notified that The California Company has, by Supplementary Application, dated November 20, 1959, requested the Oil and Gas Conservation Commission of the State of Colorado, to amend its Permit dated October 9, 1959, approving the disposal of salt water produced with oil in Pierce Field, Weld County, Colorado, by injection into the Entrada formation through Gertrude L. King #2 well, so as to permit injection into both the Entrada and Lakota formations through the same well.

A copy of the Supplementary Application is attached.

Very truly yours,

THE CALIFORNIA COMPANY
