Hi Deb,

Thank you very much for your review! I have included Erin Lind, who replaced Jennifer Lind's position at Nickel Road. She will address issue 4.

Please see attached updated Wells and Facilities Transferred spreadsheet which addresses issue 1, also see updated Incidents Transferred spreadsheet which addresses issue 2. Regarding issue 3, each of these locations were previously included in the submitted Wells and Facilities Transferred spreadsheet, and I have highlighted them in the attached copy.

Finally, Bayswater agrees to the COA.

Sincerely,

Lauren Walsh
