| <p>COGCC Inspection Report Summary On Wednesday 1/11/2023 at approximately 11:40 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the Noble Energy HSR-Decker 8-26 API #123-15505 in Weld County, Colorado. While there, I observed trash next to the wellhead. During this inspection the following possible compliance issues were observed: Rule 606. with a corrective action date of 1/31/2023. A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of the inspection report.</p> | petersont | 01/11/2023 |
