General Comment:

On 1/9/2023, Reclamation Specialist O'Malley conducted an interim reclamation and stormwater inspection at TEP Rocky Mountain LLC's Mead 30-11 Pad Location #335167 in Garfield County, Colorado.

The following compliance issues were observed during this inspection:

- Bull plug not installed on tank drain line

Refer to the "Location," "Reclamation" and "Stormwater" sections of this inspection report for additional details.

Refer to the photo-documentation of the observed compliance issues attached to this report.

Any corrective action(s) from previous inspections that have not been addressed are still applicable.

A follow up inspection on this site will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

Comment

Areas of the location not needed for production, or no longer in use have been reduced and reclaimed. Native shrubs (rabbitbrush) appear widespread. Herbaceous species are less evident. Assessment impeded by snow cover. A follow up inspection will be conducted during a future growing season to determine compliance with 1003 requirements.
