[RE Form 9 Transfer - Whiting Oil Gas Corporation #403082369 to Scout E... \(109 KB\).msg](#)

It may have been missed in the email that I sent yesterday. Scout Energy Management LLC accepts the COA's. Thank you!

Best,

Tee (Brown) Austin
Director - Operational Compliance

My apologies, Whiting also accepts the COAs. The Form 3s have been refiled by Whiting for Whiting and Equity, with the lists of assets to be transferred. Form 3s will again be refiled once the list on COGCC site reflects the transfer of wells.

This email originated outside of Chord Energy.

This email originated from outside Whiting.

Good morning Polly,

If the transfer has not been approved, please go ahead and submit your Form 3 with the data in the system. After the Form 3 has been approved, a revised Form 3 will need to be submitted.

The only thing that we are missing for this transfer is the acceptance of the COA's by both operators.

Please let me know if you have any other questions.

Thanks

Deb

Good morning Deb,

As of 730am today, Whiting and Equity assets are not reflected under Scout on the COGCC website.
The form 3s are due tomorrow. Do we wait or...?

Thank you,

-*Polly Tobin*

This email originated outside of Chord Energy.

Polly,

After the Form 9 is approved, the assets will be transferred to Scout. Both operators will need to file a revised Form 3 to reflect the changes brought on by the Form 9 transfer.

Deb

Good morning Deb,

Will the transferred assets necessarily list Scout as the operator on your website when we file our updated form 3?

Thank you,

-Polly Tobin

Subject: [External]Form 9 Transfer - Whiting Oil & Gas Corporation #403082369 to Scout Energy Management LLC

This email originated outside of Chord Energy.

All,

I have reviewed the above captioned Form 9 Transfer of Operatorship and have noted the following issues.

Issue 1: The Subsequent Document number referenced in the Subsequent Attestation is incorrect.
Solution 1: Please resubmit the Subsequent Attestation with the correct document number.

During my review, I noticed that several wells have passed final reclamation. These wells are not required to be transferred. Did you still want to transfer the wells anyway?

Assuming the other Form 9 requirements are met, all Form 9s shall now be passed with the following two COAs:

The Buying Operator must file a Form 3, Financial Assurance Plan, within 10 business days of Form 9 approval –OR– by the applicable deadline as described in the Notice to Operators, Delayed Deadline for Rule 702.b(1)A.i., whichever is later. Per Rule 702, Buyer will then provide any required additional financial assurance as soon as practicable but no later than 90 days from the Commission’s approval of the Form 3, Financial Assurance Plan.

The Selling Operator must file a Form 3, Financial Assurance Plan within 10 business days of Form 9 approval –OR– by the applicable deadline as described in the Notice to Operators, Delayed Deadline for Rule 702.b(1)A.i., whichever is later. Per Rule 702, Seller will then provide any required additional financial assurance as soon as practicable but no later than 90 days from the Commission’s approval of the Form 3, Financial Assurance Plan.

Both operators will need to respond to this email with their answer.

If either operator has already submitted their Initial Form 3, please use the following comment when submitting their revised Form 3.

This Form 3 Document #____ is submitted as a result of an approved Form 9 Transfer of Operatorship and it replaces Form 3 document # ____.

Please reach out with any questions.

Thanks,

Deb
