Mr. Frank Piro  
Conservation Commission  
1162 Elati Street  
Denver, Colorado

Dear Mr. Piro:

I have just returned from our dry hole in Jackson County and found your letter waiting for me. I am very sorry that we failed to comply with the state regulations. It was a case of gross ignorance. I thought that a compliance with Federal regulations would suffice. Please accept my apologies for this mistake.

Because we have plugged the well I have attached all the forms that pertain to the well. If there is anything that is needed please notify me.

Very truly yours,

*Howard W. Cox, Jr.*
