Dear Mr. Cox:

Enclosed please find your signed copies of the notice of intention to drill and notice of plugging. Inasmuch as the well was drilled and plugged before notification to this office, it was necessary to note a violation instead of approval. This action is without prejudice and done only as a matter of record.

We would appreciate a completion report as well as copies of any logs run on the well. A supply of our completion form (OCCC-form 5) was enclosed in our previous letter to you; however, a copy of the Federal form will suffice.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION

Frank J. Piro, Assoc. Petroleum Engineer
